We have constantly on hand a complete stock of Lumber, Lath Shingles and Building Material. Short Lumber of all grades, and Low Grade of Dimension and boards at very low prices for Cash.

TWO STATES VISITED

STORM SWEEPS EASTERN SOUTH DAKOTA AND NORTHWEST-ERN IOWA.

A FIERCE TROPICAL GALE

Wind Reaches a Velocity of Ninety Miles and Blows With Unabated Fury for Over an Hour—One Life Known to Be Lost and Property Damage Will Be Over Half a Million Dollars.

Sioux City, Ia., June 26.—A storm which swept over Eastern South Dakota and Northwestern Iowa was one of the most terrible in the history of this section. Later reports show that the path of the storm covered a space of about fifty miles wide and extended from Pierre, S. D., to a point near Le Mars, Ia. Within its track there is not a community that has not suffered a property loss.

The most serious damage was done in the section of the country south of Sioux City. The focal point of the storm seems to have been at Hudson, S. D., where one life was lost and where the damage to town and vicinity will amount to about \$50,000. The entire loss from the storm will be over \$500,000, which, on account of the scarcity of tornado insurance, will be largely a total loss. The principal damage to barns is house roofings, outbuildings, crops and stock.

The storm, unlike the usual order of Western cyclones, was in the nature of a tropical gale which swept across the stricken country with unabated fury for over an hour. It varied in velocity from seventy to eighty miles an hour, and at times reached a maximum velocity of ninety miles an hour. Store fronts and plate glass windows were unable to withstand the strain and houses were unroofed, barns and corn cribs overturned and throughout the entire section there is not a wind mill standing.

FIERCE INDIANA STORM.

Three People Killed and Much Property Damage Done.

Indianapolis, June 26.—The entire north central portion of Indiana was visited during the day by one of the most disastrous storms that ever swept over the state.

The storm covered hundreds of miles, extending from Hancock county northwest through the northern por-

tion of Marion, Hamilton and Boone counties, and did much damage in Tippecanoe and adjacent counties. Madison county also felt its fury. Thousands of buildings were razed, thousands of trees were uprooted and low blockade highways, railways and traction lines. Crops are utterly ruined, causing a loss estimated at nearly \$2,000,000, and fifty persons were more or less injured. But three deaths have been reported with authority. James Van Hoy, who was caught in the ruins of a collapsed barn near Pendleton; James Bailey, who was killed by flying timbers, and a farmer whose name is unobtainable, at McCordsville. The course of the storm was southeast to northwest.

Tornado at Marietta, O.

Marietta, O., June 26.—During a heavy electric and rain storm a tornado swept upon the city, causing a loss of not less than \$200,000. The plant of the Parkersburg and Marietta Interurban company is destroyed and Engineer Severman killed. At least fifteen substantial houses were blown down and the escape of inmates from instant death is miraculous. The wind blew at the rate of 100 miles an hour.

WIPED OUT OF EXISTENCE.

Mercur, Utah's Second Largest Mining Town, Destroyed by Fire.

Salt Lake, Utah, June 26.—Mercur, the great cyanide gold camp and the second largest mining town in Utah, has been practically wiped out of existence by fire. The fire was caused by an explosion of some kind in the upper story of the Preble block, in which the Cquirrah hotel and a saloon were located. A short time after the fire broke out the telephone exchange was destroyed and all wire communication cut off. At 2:30 a. m. a courier rode into Fairfield and telephoned that Mercur had been wiped off the map so far as the business district is concerned. All the stores of the town, numbering forty or fifty, have been completely destroyed. At least 1,000 are without food and shelter. Governor Wells and Mayor Thompson of Salt Lake were appealed to for immediate assistance. As far as known no loss of life resulted. A conservative estimate places the total loss between \$800,000 and \$1,000,000 and the insurance at \$350,000. The census of 1900 gave Mercur a population of 2,315.

Renounces Manchurian Sovereignty.

London, June 26.—In a dispatch from Peking the correspondent there of the Daily Mail says he hears upon the highest authority in the recent mining and railway concessions agreement with Russia a clause exists under which China virtually renounces all claims to sovereignty in Manchuria.

The business man who clutters up his brain with some other fellow's "success maxims" is pretty certain to score a quick failure.—Denver Republican.

ROSGING IS NAMED

MINNESOTA DEMOCRATS GATHER IN CONVENTION AT MINNEAPOLIS.

HONOR LIND'S LIEUTENANT

STATE CHAIRMAN IS UNANIMOUSLY NOMINATED FOR GOVERNOR.

REPUBLICANS DENOUNCED

PLATFORM SCORES BOTH THE STATE AND NATIONAL ADMINISTRATION.

THE DEMOCRATIC TICKET.

Governor.....LEONARD A. ROSING.

Lieutenant Governor.....

ROBERT A. SMITH.

Secretary of State.....

SPURGEON ODELL.

Auditor.....ALBERT G. LIECK.

Attorney General.....

FRANK LARRABEE.

Treasurer.....JOSEPH L. MEYERS.

Clerk of the Supreme Court.....

GEORGE P. JONES.

Railroad and Warehouse Com-

missioner.....J. M. BOWLER.

Minneapolis, June 26.—The Democratic state convention which met in this city selected Leonard A. Rosing of Cannon Falls as Democratic standard bearer in the coming campaign. He was nominated by acclamation after what turned out to be the mere formality of a roll call for nominations. Each of the other candidates for the several state offices was nominated by acclamation on rising votes. After the nomination of the gubernatorial candidate there were no contests and the ticket was completed in a very few minutes.

The convention furnished many surprises, the first of which was the nomination of Mr. Rosing for governor by the Ramsey county delegation.

The Ramsey county delegation came over to Minneapolis to nominate John Lind, its members believing that the former governor would yield to pressure and would accept the nomination in a very few minutes.

The platform adopted by the convention was ready with its platform shortly after the convention reconvened at 2 o'clock. The platform which places the ticket before the people of the state was cheered to the echo and adopted without change. Its references to the achievements of the Democratic administration of state affairs were received with enthusiasm, as were the denunciations of the present administration, state and national, and the pledges of the Democracy for reform of alleged abuses were received with equally warm demonstrations of approval.

The platform adopted the convention settled down to work of naming its ticket. Nominations by counties were called for, and Aitkin, at the head of the list, yielded its chance to St. Louis county, which placed Charles O. Baldwin of Duluth in nomination. Ramsey county named L. A. Rosing and Hennepin named Frank Larrabee.

With the exception of Hennepin and St. Louis counties all the delegates were for Rosing and as soon as the roll was finished the names of Larrabee and Baldwin were withdrawn and the nomination of Rosing made unanimous.

Mr. Rosing was called for and in a short speech thanked the convention for the honor conferred.

The nomination of Mayor Smith of St. Paul for lieutenant governor was a complete surprise and no one was more surprised than the mayor himself. His objections were overruled and the nomination was ratified with a shout.

The remaining nominations were all made by acclamation.

spected. He condemned the Republican party for the tax commission and the extra session. The tax commission, he said, was one of the most useless acts ever passed by a state legislature. The legislature, he said, had full power to amend existing laws where they were deficient and a commission was no more needed than a balloon to fly to the Philippines.

The speaker held that regardless of party questions a legislature should be elected that would remedy the evils of taxation and esteemed this question one of the most important before the people of the state. The public demanded to know why the legislature was incompetent to deal with this important question.

The speaker severely scored the Republican party for its failure to settle this question of taxation.

A committee on credentials was dispensed with on motion of Alexander Stewart of Hennepin and on motion of Lars Rand the temporary organization was made permanent.

Committee on Resolutions.

A committee of eleven on resolutions was authorized, two at large and one from each congressional district. Louis Frankel of Ramsey moved that the district members be selected by the delegates, and it was carried.

The committee was selected as follows:

At large—J. S. Pardee, Red Wing; Bert Fesler, Duluth.

First District—L. L. Brown, Winona.

Second—C. M. Andrews, Mankato.

Third—C. S. Batchelder, Fairbault.

Fourth—T. D. O'Brien, St. Paul.

Fifth—S. A. Stockwell, Minneapolis.

Sixth—Charles E. Vasaly, Little Falls.

Seventh—C. W. Stanton, Appleton.

Eighth—E. C. Riley, Grand Rapids.

Ninth—P. J. Russell, Beltrami.

The Third district got into a wrangle over their place on the committee. Red Wing named John S. Pardee and Fairbault named Mayor Charles H. Batchelder. The Eighth was divided between Bert Fesler of Duluth and E. C. Riley of Grand Rapids. The chair settled it by appointing the other two at large.

A recess was moved. Alexander Stewart moved as a substitute that the convention proceed to name a candidate for governor. T. D. O'Brien plead for the regular proceeding, adopting a platform before nominating a ticket.

"The platform we will adopt today is a Democratic platform," said Alexander Stewart, "and we will nominate a Democrat."

"His name is L. A. Rosing," shouted a Polk county man.

The motion to take a recess until 2 o'clock was carried.

AFTERNOON SESSION.

Platform Adopted and Candidates for State Offices Named.

The committee on resolutions was ready with its platform shortly after the convention reconvened at 2 o'clock. The platform which places the ticket before the people of the state was cheered to the echo and adopted without change. Its references to the achievements of the Democratic administration of state affairs were received with enthusiasm, as were the denunciations of the present administration, state and national, and the pledges of the Democracy for reform of alleged abuses were received with equally warm demonstrations of approval.

The platform adopted the convention settled down to work of naming its ticket. Nominations by counties were called for, and Aitkin, at the head of the list, yielded its chance to St. Louis county, which placed Charles O. Baldwin of Duluth in nomination. Ramsey county named L. A. Rosing and Hennepin named Frank Larrabee.

With the exception of Hennepin and St. Louis counties all the delegates were for Rosing and as soon as the roll was finished the names of Larrabee and Baldwin were withdrawn and the nomination of Rosing made unanimous.

Mr. Rosing was called for and in a short speech thanked the convention for the honor conferred.

The nomination of Mayor Smith of St. Paul for lieutenant governor was a complete surprise and no one was more surprised than the mayor himself. His objections were overruled and the nomination was ratified with a shout.

The remaining nominations were all made by acclamation.

DECLARATION OF PRINCIPLES.

Platform Adopted by the Minnesota Democratic Convention.

First—We declare our allegiance to the principles of Democracy as set forth in our national Declaration of Independence; as especially taught by that great exponent of Democracy, Thomas Jefferson; and as reaffirmed in the latest national convention of the Democratic party.

Second—We further express our admiration for and grateful appreciation of the great ability, singular disinterestedness and untiring zeal in the service of humanity of that great leader of the Democracy and most fearless and eloquent champion of the rights of man, William J. Bryan.

Third—We congratulate the people of the United States and their latest democratic spirit and sense of fairness have been sufficiently aroused to compel the present administration to so far keep faith, however reluctantly, with the people of Cuba as to withdraw our troops from their island and allow them a measure of self-government, and we condemn the Republican party for its failure to fully comply with the congressional resolution passed before the declaration of war with Spain. It is with deepest shame and regret that, through the apostasy of the Republican party, the people of the United States are, by our imperialistic policy in the Philippines, placed before the

GREAT REFRIGERATOR

CLOSE-OUT

One Quarter Off

HOFFMAN'S

FURNITURE AND HARDWARE STORE,

Corner of Sixth and Laurel Streets.

world in the false position of repudiating the most cherished fundamental principles of our government, and our brave citizen soldiers are forced to disgrace our flag and army in obedience to orders from their superiors.

We endorse and commend our Democratic congressmen for the position taken by them on the Philippine question and demand that our government declare its intentions and purposes in regard to the Filipino people and grant them their independence.

Fourth—The power of the modern trusts is an appalling evil and a monstrous menace. We would revoke the tariff benefits they enjoy; we would refuse the subsidy they seek; we would pass appropriate legislation for the control of their affairs and to secure publicity, and we would enforce the laws against them, sparing none.

Republican Policy Condemned.

Fifth—The Republican party openly advocates the policy of class legislation, conferring special privileges, benefits, subsidies, bounties and tariffs. Excessive riches and abject poverty that corrupt and debase character are results of the same social disease.

Sixth—We would correct the existing inequalities and wrongs. We emphatically reaffirm our belief that the application of the Democratic principles of equal rights to all and special privileges to none is the only remedy for existing inequalities and wrongs.

Seventh—We deplore the existence of a spirit of lawlessness which finds expression even in murderous attacks upon the chief magistrate of the republic, and has brought about the death of a recent incumbent of that exalted office.

Eighth—We favor the postal savings bank and the income tax; we oppose government by injunction.

Ninth—We would correct the imbecile and unbusinesslike policy that throttles our trade with Canada and Cuba at the behest of special interests.

Tenth—We take this opportunity to pay heartfelt tribute to that statesman and popular leader, the heroic standard bearer of our cause during three hard fought campaigns, John Lind. His place in the history of the Northwest and in the hearts of the people of all classes is secure and the impress of his character upon the political life of this state will endure for all time.

Eleventh—We favor the postal savings bank and the income tax; we oppose government by injunction.

Twelfth—We favor the election of United States senators by direct vote of the people, and the election to the senate only of men pledged to that reform.

Thirteenth—We favor the election of United States senators by direct vote of the people, and the election to the senate only of men pledged to that reform.

Fourteenth—We would correct the errors in the law establishing the state board of equalization.

Fifteenth—We recommend to the voters the adoption of the proposed law, whose submission to the people was secured by the persistent efforts of the Lind administration, for the increase of the railroad gross earnings tax.

Sixteenth—We favor the election of United States senators by direct vote of the people, and the election to the senate only of men pledged to that reform.

Seventeenth—We condemn the failure of the present state administration to enforce the law against the merger of the Iron Range railroads.

Eighteenth—We condemn the failure of the board of control to conserve the efficiency of the state institutions, and we abhor the theory that the public schools, which are fundamental to the life of the republic, are charitable institutions.

Nineteenth—We condemn the administration for converting the state binding twine plant into an auxiliary of the cordage trust.

Twentieth—We condemn the Minnesota congressmen for their failure to promote legislation, to strengthen the powers of the interstate commerce commission, and we regret that subservience to privileged greed should compel our United States senators to vote for the iniquitous ship subsidy.

the taxation of non-resident corporations equally with domestic, the adequate taxation of public service corporations and the taxation of income and we favor the amendment of the Constitution to that end.

Twelfth—We favor the municipal ownership of public service corporations the principle of direct legislation and home rule in local taxation.

Thirteenth—We believe that the interests of labor can best be conserved by organization and we demand for every man who labors an equal use of all natural opportunities to the end that no man shall take the proceeds of another's labor without full compensation therefor.

We are in favor of the observance of a general eight-hour workday, and that all printing done for and supplies purchased by the state of Minnesota shall bear the union label and pledge our support to organized labor in its efforts for securing the same.

Fourteenth—We would correct the errors in the law establishing the state board of equalization.

Fifteenth—We recommend to the voters the adoption of the proposed law, whose submission to the people was secured by the persistent efforts of the Lind administration, for the increase of the railroad gross earnings tax.

Sixteenth—We favor the election of United States senators by direct vote of the people, and the election to the senate only of men pledged to that reform.

Seventeenth—We condemn the failure of the present state administration to enforce the law against the merger of the Iron Range railroads.

Eighteenth—We condemn the failure of the board of control to conserve the efficiency of the state institutions, and we abhor the theory that the public schools, which are fundamental to the life of the republic, are charitable institutions.

Nineteenth—We condemn the administration for converting the state binding twine plant into an auxiliary of the cordage trust.

Twentieth—We condemn the Minnesota congressmen for their failure to promote legislation, to strengthen the powers of the interstate commerce commission, and we regret that subservience to privileged greed should compel our United States senators to vote for the iniquitous ship subsidy.

RESULT OF A STRIKE.

Union Pacific Shops at Cheyenne, Wyo., Permanently Closed.

Cheyenne, Wyo., June 26.—The Union Pacific has discharged the remaining 500 men employed in its shops here, making 650 in all. This includes thirty boiler makers and helpers who struck. The order discharging the men states the shops are to be closed permanently and the dismantling of the machinery will be commenced at once and everything will be prepared for a long idleness.

The clerical force will be reduced, making the reduction in salary \$50,000 a month.

ROOSEVELT ENDORSED.

Missouri Republicans Go on Record for Him in 1904.

Jefferson City, Mo., June 26.—The Republican state convention adjourned sine die after nominating a state ticket and adopting a platform unreservedly endorsing the administration of President Roosevelt and declaring him to be the logical candidate for 1904. The mention of Roosevelt's name created great enthusiasm. The following are the nominations made: State superintendent of instruction, Professor J. M. White of Brook county; warehouse and railroad commissioner, long term, W. S. Crane of Jasper county; short term, Barney Fruenthal of St. Louis.

LOCAL NEWS NOTES.

Ed Ovig returned from Staples this afternoon.

J. M. Elder returned from St. Paul this morning.

Sheriff Erickson returned from St. Paul this afternoon.

Editor Plener, of Pillager, was in the city this morning.

Mrs. Walter Davis returned from Staples this afternoon.

Frank Savage, a paving contractor of Chicago, is in the city.

Jeff Saunders returned from a trip up north yesterday morning.

Mrs. Rounds and family have gone to visit in Staples and Verndale.

Mrs. Ella Robinson went to St. Paul today to visit her daughter.

Mrs. Geo. Gardner left today for Montpelier, Vt., and Boston, to visit her folks.

T. J. Foley, of Aitkin, was in the city today leaving for Minneapolis on business.

Edward O'Brien, representing the Irish Standard, came in from Minneapolis this afternoon.

A. B. Cornell, of the Gangelhoff Machine Co., Paul has been in the city for a couple days.

The Brainerd Marine band gave an excellent concert last evening in the Northern Pacific Park.

Frank Rosche, bookkeeper for Bonness & Howe, returned from Minneapolis this afternoon.

J. L. Smith returned to his home in Minneapolis this afternoon after a business visit to this city.

A fourteen and one-half pound baby boy has arrived at the home of Mr. and Mrs. A. G. Shanks.

B. M. Chipperfield, who had been visiting in the city for a few days, left for his home in Canton, Ill., this afternoon.

Mrs. C. D. Parker left this afternoon for Escobol, Wis., having been called there on account of the death of Mr. Parker's mother.

The Womens' Foreign Missionary Society will meet on Friday at 3 p. m. at the home of Mrs. Jas. Rhodes, corner 5th and Kingwood.

This evening there will be a general meeting of the Brainerd fire department. It is expected that there will be a big attendance of all the members.

Miss Ethel Saunders has gone to Duluth for a weeks visit. She will also go to St. Paul and Minneapolis for a short visit before returning to this city.

Cashier G. D. LaBar, of the First National bank returned this afternoon from his California trip. Mrs. LaBar will sojourn on the coast for a short time.

Editor Jewell, of the Bismarck Tribune, was in the city this morning having come from Blackduck, where he and other North Dakota politicians spent a few days fishing.

Mr. and Mrs. John McDermott, of Fargo, who have been east on their wedding trip, stopped off in Brainerd for a day to visit with Mr. and Mrs. John Tenglund, leaving this afternoon for the west.

Miss Clotilda McCullough returned this afternoon from Whitby, Ont., where she has been attending school the past year at a ladies' seminary. Miss McCullough's many friends are glad to see her home.

A good story is told of how Charles McKay and his bride gave members of the wedding party the slip yesterday afternoon. All arrangements had been made at the house and they were to leave on the train for Duluth. A large number of friends went to the depot and waited patiently, but while they were waiting, Mr. and Mrs. McKay were speeding on their way for Deerwood. They engaged a team at Purdy's livery stable and drove to that place to catch the train, thus foiling any attempt at giving them rice showers, etc.

T. C. Bolin went up the M. & I. this morning on business.

Prof. E. Florene will preach in the Swedish Lutheran church this evening.

F. G. Hoagland, who has been in the city in the interest of the National Life Trust Co., of Des Moines, Iowa, left for Duluth today.

Chief Bennett returned last night from up the M. & I. where he went in the interest of the firemen's excursion Sunday to Bemidji.

The Young Peoples' Society of the Swedish Lutheran church, will meet at Rev. Johnson's tomorrow evening. Prof. Florene will participate in the program.

The Florence Crittenton Circle will hold its monthly business meeting Tuesday July 1 at 2:30 p. m., at the home of Mrs. Wm. Johnson, East Brainerd.

There will be an Eastern Star party on Monday evening in Masonic hall. All Masons and members of the Eastern Star whether they receive invitations or not will please consider themselves invited.

Do You Know

that you can buy a Straw Hat and Summer Clothing at Westfall's just as less than at any other place in Brainerd. Big stock and they must go.

Meeting B. Y. P. U., Providence, R. I.

The Nickel Plate Road will sell tickets July 7, 8 and 9 at one fare for round-trip, with stopover at Niagara Falls and Chautauqua Lake if desired; also via New York City if preferred. For sleeping car accommodations, call at City Ticket Office, 111 Adams Street, or address John Y. Calahan, General Agent, Chicago.

CROW WING ITEMS.

August Strom went to Little Falls on Sunday.

Stephen Swartout went to Staples to meet the drive at that place on Thursday.

Claude Irwin, of Brainerd, spent Wednesday at Crow Wing.

Mr. Root, an old settler of Fort Ripley was buried this week.

A fire insurance agent from Brainerd was calling on a Crow Wing farmer this week.

George A. McGregor will start for Little Falls on Thursday, to be gone three or four days.

The bowery dance at Lennox was well attended Saturday evening. About fifty tickets were sold.

Eddie King, who has been working for George McGregor all spring, has returned to his home in Brainerd.

Freeman Young is making arrangements for a grand Fourth of July celebration to be given at Lennox, with a picnic and dancing in the afternoon and evening. W. J. Andrews will furnish dinner, supper and other refreshments. It is near Crow Wing Lake, and Freeman invites the "world to come," bring his wife and all the young folks, for he promises them a good time, and plenty to eat and drink.

A DEFEAT FOR CASTRO

ARMY COMMANDED BY GENERAL AYALA SURRENDERS TO INSURGENTS.

EFFECT IS INCALCULABLE

Venezuelan President Has Represented the Rebel Leader as Flying With Only Ten Followers—Attempt of Government Troops to Take the Town of La Vela Results in the Attack Being Abandoned.

Willemstad, Island of Curacao, June 26.—Advices received here from Venezuela under date of June 26 say President Castro recently tried to occupy La Vela (on the Gulf of Coro). He sent General Colmenares with a large force of troops to attack the town by sea, hoping that General Ayala would assist by land and catch the revolutionists who are there commanded by General Riera, General Matos' first lieutenant, between two fires. But for unknown reasons there was no assistance by land and General Colmenares, after three hours' fighting, was compelled to re-embark his troops and abandon the attack.

During the morning of June 26 General Riera left La Vela and with 1,500 men attacked Coro, the capital of the state of Falcon, nine miles distant. After five hours' battle General Ayala, first vice president of the republic and commander of Castro's army, and General Telleria, president of the state of Falcon, 17 generals and 45 colonels surrendered, with 5 guns and 1,682 men.

The moral effect of this victory is incalculable on all the country as President Castro lately represented in bulletins that General Riera was flying with only ten followers.

MORE TROUBLE IN CHICAGO.

Labor War Involving Ten Thousand Men Threatened.

Chicago, June 26.—A fight that would involve 10,000 men and tie up the freight business of the city may begin July 1. If it should come to pass it would be a contest between the railroads on one side and the freight handlers on the other. The men have submitted a proposition demanding a general increase of 2½ per cent in their wages. The general managers of the various roads held a meeting at which the disposition to make a fight was manifested, but no action was taken because some of the roads were not represented. Another meeting will be held on Saturday to discuss the proposition further.

The action comes at a time when trouble from another quarter is said to be threatening. On Tuesday it was stated that the freight handlers and the teamsters were about to make a demand for strict recognition of their unions.

The demands of the union, presented to the freight agents of the various companies, cover nearly a hundred freight depots of the twenty-four systems operating in Chicago. It gives the companies until July 1 to respond, and unless the reply is satisfactory trouble is expected.

The freight handlers also ask to be paid every two weeks instead of once a month, as is the custom now. They ask that the agents of their union be allowed the freedom of the freight houses and sheds for the collection of dues and other business connected with the organization. Time and a half for overtime after ten hours' continuous service is demanded. Double time is asked for Sundays and holidays and meal hours missed shall be considered in the time employed.

PLANTED BY KING EDWARD.

Oak Tree in Central Park, New York, Is Dying.

New York, June 26.—In Central park, this city, are two trees, one an American elm, the other an English oak, which were planted by King Edward, then Prince of Wales, in 1860. The elm has grown to be a big strong tree about 100 feet high, but the oak has remained stunted and gnarled. Two weeks ago Landscape Artist Parsons of the park department was told that the oak showed signs of dying and since then he has used every effort to discover the cause of the decay and to save the life of the tree, but without avail. Mr. Parsons says it cannot be saved.

CANAL CONFEREES AGREE.

House Accepts Senate Amendments to the Measure.

Washington, June 26.—The house conferees on the interoceanic canal bill have decided to accept the senate bill in favor of the Panama route.

Mr. Hepburn presented the conference report on the canal bill to the house and under the rules it went over. Later Mr. Hepburn submitted the following statement to the house:

"The effect of the action of the conferees, if adopted by the house, will be to eliminate all sections of the bill as passed by the house and enact into law all the provisions of the senate bill."

Many Yachts at Kiel.

Kiel, June 26.—Ninety-five racing and fifty-two pleasure yachts are now lying in the roads here, awaiting the beginning of the regatta. There are also twenty-six men-of-war present and the latter include eight German battleships. Emperor William is determined that the visitors to Kiel shall see the finest vessels of the new navy.

Acted in Self-Defense.

Oklahoma City, Okla., June 26.—The preliminary hearing of Editor E. E. Brown, who was held for examination in connection with the killing of Rough Rider Johnson and his assailant, ended in the discharge of Brown. The examining judge declared that Brown acted clearly in self-defense.

Official Publication.

SEALED PROPOSALS

Contract work. Paving and Curbing Front Street from the east line of Broadway to the west line of Fourth Street. Making and setting cement curb on Laurel street from Fifth street west to the Mississippi river bridge.

OFFICE OF CITY ENGINEER.

Brainerd, Minn., June 17, 1902. Sealed bids will be received by the City Civil engineer of the City of Brainerd, at his office, No. 2, Sleeper Block, until 6 o'clock p. m. Monday, July 7th, 1902, for putting in a macadam pavement of crushed rock, and a curbstone of Granite or Kettle River Sandstone.

The work to be done is on Front street from the east line of Broadway to the west line of Fourth street and from the south line of Front street and Broadway north to the N. P. Ry. tracks, and from the north line of Front street and Sixth street north to the N. P. Ry. Tracks, length of street to be paved and curbed, 1760 feet, according to plans and specifications in the City Engineer's office.

Also bids will be received for Cement Curb and Gutter on Laurel street from the west line of Fifth street west to the Mississippi river bridge, a distance of 1577 feet according to plans and specifications in the City Engineer's office.

A bond with at least two (2) sureties, or a certified check of at least ten (10) per cent of the gross amount bid must accompany each bid. Said bond shall run to the City of Brainerd, and said check shall be made payable to the treasurer of said city.

The city reserves the right to reject any or all bids.

A full line of Diamond and Seal of Minnesota Buggies, in large variety, at Hessel's, corner of Fourth and Front streets.

A large lot of all kinds furniture storage, household goods, bicycles. Store 617 Main street, opposite depot.

CROP OUTLOOK NEVER BETTER

With the Exception of Corn It
Will Be the Best Crop in
Many Years.

HAY CROP IS UNPRECEDENTED.

Farmers Throughout the Country
Do Not Expect Much of a
Corn Crop.

The farmers of Crow Wing county believe that this will be the year for a bumper crop, with the exception of corn. Wheat, oats and barley are doing fine and with good weather from now on, wheat will average about thirty bushels to the acre.

The corn crop is poor. The weather for corn has been entirely too backward, it being extremely cold throughout the spring and summer. It is thought that the month of June this year will average up colder than any corresponding month in thirty years.

The hay crop is very good this year, the tame hay being especially promising.

Westfall's Summer Hats are being sold less than you can buy the same thing in the city. It's a big stock and must be sold at once.

IMPROVED BUSINESS CONDITION.

Since the Passage of the Morris Bill There
Have Been All Kinds of Spurts and
Starts at Cass Lake.

The improved business condition in Cass Lake since the passage of the Morris bill last week, is truly wonderful. The average Cass Lake citizen, after three years of patient waiting and hoping that something would be done looking toward the opening of the valuable agricultural lands embraced within the Chippewa Indian reservation, is inclined to become boisterously joyful. Instead of a vacant stare, bothered by possible financial ruin, the citizen now has a bright vision and walks with a brisk step that betokens extreme satisfaction. Already are a large number of people coming into the village, looking for investments and also to look over the land in this vicinity. During the past three days there have been many transfers of village property, and the prices paid have invariably been a substantial increase, of at least 25 per cent, over the original price paid.

Several new blocks are already under way of erection and many more will follow. The future welfare of the community is assured and the prediction is freely made that Cass Lake will within the next year rank as the leading city of northwestern Minnesota, outside Duluth and Brainerd.

A FRIEND'S ADVICE

Will Often Help You Greatly. Read
What a Brainerd Citizen Says.

You may hesitate to listen to the advice of strangers, but the testimony of friends or residents of Brainerd is worth your most careful attention. It is an easy matter to investigate such proof as this. Then the evidence must be conclusive. Read the following:

Mrs. N. G. Blake, of West Brainerd says: "I suffered a great deal from inflammation of the kidneys and I grew worse in place of better. My back in the region of the kidneys was sore, was lame and hurt me very much, an aching pain being ever present. The kidney secretions were dark in color and on standing deposited much sediment. When Doan's Kidney Pills were advertised I sent my son for a box. I was a little afraid I would not be able to use them for I cannot take some kinds of medicine.

I found, however, that they were mild in their operations and did not produce any bad effects. Before taking them very long the kidney secretions became healthy in color, all deposit was removed, and the soreness and pain were replaced by a perfectly comfortable feeling."

Sold for 50 cents a box at the McFadden Drug Co., H. P. Dunn & Co. and all druggists. Foster-Milburn Co., Buffalo, N. Y., sole agents for the U. S.

Remember the name, Doan's, and take no substitute.

ON THE DIAMOND.

Andy Porter, manager of the Superior baseball team, has secured the privilege from the lessees of the Duluth baseball grounds to play ball games there every Saturday afternoon. Owing to the objections which have been raised across the bay to Sunday ball, this privilege does not include Sundays. However Manager Porter says that if it is possible, he will play Sundays.

No games will be played on the Duluth grounds until they are put in a better condition. At present it is almost impossible to use them.

It is expected that many of the games of the Superior team will be played on the Duluth grounds, the Saturday game at Duluth, and the Sunday game at Superior. In this way both cities will get their share of the baseball season. Many of the Superior men formerly played on the Duluth team, and it is expected that that fact alone will assure good crowds at Duluth.

Brainerd has finally won a game from St. Cloud, but it didn't win any money. The Brainerd sports had gotten tired losing to St. Cloud and none of them came to St. Cloud yesterday. Had they been on the ground they would have made a cleaning up.—St. Cloud Journal-Press.

The above would give one the impression that there was a big crowd at the game Tuesday, but the receipts did not prove a very good advertisement for the St. Cloud "sports." There could not have been a cleaning up for there were not enough men at the game to make a good fair sized bet.

The printers and barbers will get together soon for a game and there will be all kinds of demonstrations of how to do things with the old base ball. The barbers think that if they do get beat that they will certainly give the prints a "close shave"

65 Loans Have Been Made to Brainerd People

Through P. B. Nettleton, and nearly \$50,000.00 in cash has been brought in here from the outside and distributed into the various channels of trade. Is it a good thing for the town? This money has been used to pay off contracts, taxes, mortgages, debts, store bills, buy homes, build new and improve old homes and all to be paid back in small or larger payments as suits best, while the great demand for money makes it hard to get as promptly as heretofore, yet I can sell twelve good homes, some new and fine, warm and good, on such terms as any one can pay if they have a little money and can pay rent. You can get a better choice now than later. Open evenings and daytimes too. P. B. NETTLETON, Palace Hotel.

while the prints are confident they are the handiest with the "stick." The printers will meet tonight for permanent organization.

The following excerpts are taken from the St. Cloud Journal-Press writeup of Tuesday's ball game:

Brainerd had scored once in the third on a bit of very hard luck, and tied in the ninth on a hit a complimentary to first and another hit. Neither side then scored until the eleventh, when there was a killing by Brainerd, and when the St. Cloud players had gotten through counting the score was 5 to 2 to the bad. The story is a doleful one and the type-writer balks to tell it but it must be told.

Bemis has a most deceiving ball. He has a wide, yet sharp curve and his control was perfect. With an occasional fast one, he has the batsman pretty well puzzled.

Spelley is something of a talker and a "beeper" but it must be admitted that he fielded his third base position beautifully yesterday.

Brainerd has a new captain in the person of Flynn. He'll do.

The Barbers held a meeting last night and elected L. A. LaJoie and Jake Omen as managers of their ball team, which is supposed to wipe the earth with the "print" ball tossers.

TO GIVE BRAINERD WRITEUP.

Representative of the Northwest Magazine in the City to tell Things about City of the Pines.

J. L. Akeley, representing the Northwest Magazine is in the city to give Brainerd and Crow Wing county a writeup. The writeup will appear in the magazine in the near future and should be an interesting one in view of the fact that the writer will review the progress made here during the past few years. Mr. Akeley is a pleasant gentleman to meet and versatile writer.

PILLAGER'S NEW SCHOOL.

A Modern Four Room Structure Has Been Completed Costing in the Neighborhood of \$1,800.

The village of Pillager now has one of the most modern school buildings for a small place in the north-northern part of the state. The new school building there has just been completed and has cost in the neighborhood of \$1,800 and it is a beauty. There are four rooms and it is two stories high.

Pillager will also have another new building soon. C. L. Peterson is about to erect a modern elevator at that point.

Save One-third Per Cent by buying your Summer Hat and Clothing at Westfall's. Big stock and they must be sold this month. Go early and get one.

BRAINERD THEN AND NOW.

Among the Distinguished Guests in the City Today was Editor Jewell of Bismarck—A Talk on Brainerd.

This afternoon Hon. N. H. Jewell, editor of the Bismarck Tribune, spent a short time in the city. Mr. Jewell stated to a representative of the DISPATCH that it was a long time since he had been in Brainerd.

"Time was," said he "when Bismarck and Brainerd seemed to be in closer touch with each other, but since the coast trains run by the way of the cut-off we seldom ever see Brainerd unless we are en route to Duluth. Since I last visited Brainerd there has been wonderful improvement and your city is certainly looking better all around. I was surprised indeed, for I have not kept track of the pace. Just to show what a stranger I am to your city I will state that I did not know that we were on the M. & I. this morning until I tried to pass some "North Coast Limited" mileage on the conductor which did not go.

"I was surprised to see that the country north of you was being

taken up so thoroughly and that agricultural pursuits were being more closely followed. This will help your city and county."

THE FIREMEN'S EXCURSION.

The Committee in Charge of the big Excursion Report that they are Meeting with good Success.

The big excursion under the auspices of the Brainerd fire department for Sunday between this city and Bemidji will be the big outing event of the season. Already the committee in charge have sold a large number of tickets and it is thought the demand before Sunday will be unprecedented.

Bemidji is situated on a beautiful lake and it will be a great place to spend a day, especially for those who have not been there. Only \$1 is being charged for the round trip and the price should be no detriment at all.

At J. F. Hawkins market and grocery you will find fresh goods, the best the market affords. 13-1f

Store your Stoves and Household goods with D. M. Clark & Co.

Low Rate Eastern Excursions.

On July 5 to 9, inclusive, the Nickel Plate Road will sell tickets at one fare for round-trip to Portland, Me., and return, with final return limit August 15th. Particulars at City Ticket Office, 111 Adams St. Chicago.

The Annual Convention of the National Educational Association, will be held at Minneapolis, Minn., July 7 to 11, 1902. For the above occasion The Northern Pacific Railway Co. will sell tickets July 5, 6, 7 and 8th 1902, limited to continuous passage in each direction. Going trip to commence on date of sale with final return limit of July 14th, 1902, at one first class fare plus \$2.00 to cover membership fee for the round trip. 93-1f

Large line of 2nd hand Household goods to be sold for storage at D. M. Clark & Co's.

MUSIC AND DRAMA.

TWO LITTLE WAIFS.

Lincoln J. Carter's "Two Little Waifs" appears at the Brainerd Opera House July 2.

The piece is supplied with all the necessary requisites that please the lovers of a story filled with sentiment, comedy, surprises and tears. "The Lamb children" are enacting the difficult parts of the "Waifs" and meeting the requirements with perfect satisfaction to all. Mr. Carter has supplied the play with an excellent company of artists and every assurance is given that this is by far the masterpiece of that great author's brain.

"TOO RICH TO MARRY." "Too Rich to Marry" is of a higher order of merit than the usual farce comedy. It possesses novelty of plot. It is new and interesting. The dialogue is well written and the author has evinced a commendable disposition to avoid the risqué, although his story must have presented strong temptations otherwise.—Minneapolis Times.

We carry a full line of groceries, just added, which will pay you to sample. 13-1f J. F. HAWKINS.

TO ATTEND SCHULTZ FUNERAL.

Large Number of Brainerdites Go Down To Staples This Morning to be Present at the Services.

This morning quite a delegation of Brainerd people went down to Staples to attend the funeral of Ernest Schultz, the engineer who died at the Northern Pacific Sanitarium, and whose remains were taken there day before yesterday. Mr. Schultz was at one time a resident of this city and he and his estimable wife had a large number of friends here.

Those who went down to attend the funeral were Mr. and Mrs. J. W. Koop, Mrs. J. F. McGinnis, Mrs. Val Smith and Mr. and Mrs. Con O'Brien.

For Sale. Finest lots on north side, four blocks from Front street, for \$150 each for cash.

J. R. SMITH, Room 2, Sleeper Block, Brainerd.

Bright and Able.

Mr John R. Heino, who recently resigned an important position in the United States Custom office in St. Paul with a view to establishing a law office in Aitkin, has arrived in the city and until he can obtain office rooms (which at present are not to be had,) will occupy a portion of the Age's business office. Mr. Heino has associated himself with Mr. F. L. Bannon, also from St. Paul. They have also established offices in Brainerd of which Mr. Bannon has charge. Both are very bright and able lawyers and come highly recommended. Mr. Heino has for years taken an active part in republican politics and is very well known throughout the state.—Aitkin Age.

Summer Hats and Clothing

from the cheapest to the best—All prices and all styles at Westfall's. One-third per cent off from the lowest retail prices.

Notice to Water Consumers.

The office of Minnesota Water Works Co., has been moved to the second floor, Columbian Block. Water rates for the July 1902 quarter are payable there.

A discount of ten per cent is allowed consumers occupying houses used for residing purposes only and having seven rooms or less, provided the rates are paid at the company's office on or before July 21, 1902.

The charge for lawn or garden sprinkling is \$2.50 per season for a lot twenty-five feet or less and \$5.00 per season for a lot more than twenty five feet. Lawn or garden sprinkling is permitted on payment of these rates between the hours of 6 and 8 a. m., and 6 and 9 p. m. Sprinkling at other hours will not be permitted under any circumstances. Sprinkling rates are now due and service will be discontinued without notice in the case of all consumers sprinkling without first having secured a permit.

Cancer and Consumption Cured In Duluth.

These diseases cured by the Actinic or Violet Ray Light cure that has been used with great success in Europe and New York City. In the latter place hundreds are being treated daily by this wonderful light. Absolute cures are being effected and all who try it are benefited. The treatment consists in powerful rays of light from a 500 candle power lamp which are passed through condensing lenses and thrown on the affected parts. These rays of light destroy the germs of disease without injury to the healthy tissue. It quickly relieves the pains of cancer, the severe coughing in consumption and heals all running sores. It is absolutely painless. Already a number of Duluth and Superior people have been treated with astonishing results. For particulars address,

HOPEFUL FEELING

**KING EDWARD'S CONDITION IS
REPORTED TO BE MORE
SATISFACTORY.**

ABLE TO EAT SOLID FOOD

**PARTOOK OF SCRAMBLED EGGS
AND A LITTLE HOCK
AND SODA.**

ANXIOUS FOR ANY NEWS

**QUIET AND DEPRESSED CROWDS
WAIT OUTSIDE BUCKING-
HAM PALACE.**

London, June 26.—The following bulletin was issued after 11 o'clock:
"The king continues to make satisfactory progress. He complains very little of discomfort and is more cheerful. The wound is doing well."

London, June 26.—King Edward's condition is even more satisfactory than has been indicated by the bulletins. He has made a decided improvement and the feeling at Buckingham palace is very hopeful. His majesty is able to take nourishment. He had scrambled eggs and a little hock and soda, and with his own hands he opened several telegrams.

The bulletin issued at 11 o'clock is regarded as intensely satisfactory. This bulletin is generally taken as being the first occasion upon which the king's doctors have allowed themselves to express, even to a small degree, the hopeful feelings they undoubtedly, even though privately, entertain. Two days have now elapsed since the operation was performed and the absence of complications creates hopefulness in all quarters, although, as has been frequently said in these dispatches, several days must pass before the possibility of danger can be eliminated.

Notwithstanding the fact that London is now even more crowded with people the scenes witnessed on the streets were a marked and pleasant contrast with those of Tuesday evening. The reckless rejoicing which was then so disgracefully prominent is quite unheard. Traffic pursued its way unimpeded and even the most popular thoroughfares were comparatively deserted.

Quiet and depressed crowds waited outside Buckingham palace for news of the sovereign. For several hours they

Have Kept Their Patient Vigil, wandering aimlessly, but with palpable anxiety, over the open space which fronts the royal residence. For some reason or another a feeling pervaded the crowds that if the king lived until night he would live to be crowned.

Inside the palace all was quiet. Queen Alexandra, who had been in the vicinity of the sick room the entire day, dined with a few members of the royal family. The callers who came to the palace contented themselves with driving up to the outer gates, where they alighted and walked in to inquire at the equerries' entrance for the latest news. There they met only liveried servants and small knots of reporters. With the exception of these callers and the noblemen who have the entrée to the court everybody was rigidly excluded from the palace by the police. Lord Grey, a director of the British South Africa company, and who recently visited the United States, is among those having entrée to the court. He said to a representative of the Associated Press that he had good hope for the king's recovery and that he was sure that every Englishman was deeply touched with the sympathy of the United States in the present calamity.

"Although," Lord Grey added, "such kind expressions of feeling are only what I should expect after my recent pleasant experience of American hospitality."

ARE BITTERLY DISAPPOINTED.

People From All Parts of the World Arriving in London.

London, June 26.—Material and other results of the postponement of the coronation are cropping up hourly. Steamers from all parts of the world, which timed their sailings to bring in passengers for the coronation, are reaching England constantly. When the king's illness is known on board there is consternation and bitter disappointment of the passengers is quite pitiful to see. This is especially true in the case of the White Star steamer Teutonic's passengers, who had hoped that by sailing a day sooner than the scheduled date they would be able to witness the ceremonies and occupy the seats they had engaged months ago. Litigation is already commencing over contracts made with regard to seats, accommodations and other arrangements dependent upon the coronation and the naval review. The many steamers which were chartered to witness the review will not be needed and this point alone is likely to make lots of work for the lawyers. The British fleet will remain intact at Portsmouth until next week, but several of the foreign war vessels will leave there during the day.

Place for John Hays Hammond.

New Haven, Conn., June 26.—President Arthur T. Hadley announced that at the meeting of the Yale corporation appointment of a professor of mining engineering was made and the tender was accepted by John Hays Hammond, a graduate of the Sheffield scientific school in the class of 1876.

MAY NOT BE OMNIBUS BILL.

Many Republicans Opposed to Admitting All Three Territories.

Washington, June 26.—By an arrangement effected between the divergent interests in the senate committee on territories and subsequently ratified by the senate a territorial statehood bill will be reported to and considered by the senate early in December when congress reconvenes. In the meeting which resulted in this agreement the fact developed that the principal reason for opposing Senator Quay's motion to consider the omnibus statehood bill now was the desire to prevent the bill going on the calendar in an unamended form. Some of the Republican members of the committee are inclined to favor the admission of one or two of the territories, but not all three of them, and therefore desire to amend the measure in committee. This they will have an opportunity to attempt.

Senator Bate said the Democrats accepted the programme only because it had become apparent that action could not be secured at the present session. He said the Democratic side of the senate was solid in its support of the bill for the admission of all three territories—Oklahoma, New Mexico and Arizona.

The Republican members say it does not follow from the agreement that the omnibus statehood bill will become the unfinished business in December next. They point out that the agreement provides only for the report of the committee on territories to precede the consideration of the bill, and that whatever bill is presented will become the unfinished business. That may or may not be the omnibus bill, and it is evident that the present desire of the majority of the committee is that it shall not be. It should be added that any bill reported by the committee on territories will be open to amendment in the senate.

STATEHOOD GOES OVER.

Omnibus Bill to Be Reported Early Next Session.

Washington, June 26.—In a few minutes the senate disposed of for this session of the omnibus statehood question which has been pending for several days.

Mr. Beveridge of Indiana, chairman of the committee on territories, announced that a report on the bill before the committee would be made on the third day of the next session. This was satisfactory to Mr. Quay (Pa.), who, after securing an agreement that the committee's report should be the unfinished business on and after the 10th of December until it was disposed of, withdrew his motion to discharge the committee from further consideration of the measure.

After Mr. McCumber (N. D.) had discussed the pending pure food bill and Mr. Gallinger (N. H.) had delivered an extended argument to show that the prosperity of the country was due to the operations of the Dingley tariff law, the senate took up the calendar and passed a large number of bills of minor importance.

The conference report on the army appropriation bill was agreed to, thus passing the measure and eliminating the friction which has existed between the two house over it.

GENERAL DEFICIENCY BILL.

Senate Appropriations Committee Ready to Make Its Report.

Washington, June 26.—The senate committee on appropriations has concluded consideration of the general deficiency appropriation bill, the last of the appropriation measures to be passed upon. The amendments recommended by the senate increase the aggregate appropriations made by the bill \$3,463,526, making a grand total of \$8,408,910 carried by the bill. Only a few unimportant provisions inserted by the house were eliminated.

The largest items of increase are \$1,000,000 to reimburse the territory of Hawaii for the destruction of property for the suppression of the bubonic plague in 1899 and 1900; \$500,000 for the reimbursement of John G. Milburn of Buffalo, N. Y., for payments made to labor on account of the Buffalo Pan-American exposition, and \$449,186 on account of payment of Indian depredation claims judgment. There is an appropriation of \$160,000 for the Charleston exposition for the payment of claims.

SLOW PROGRESS MADE.

Philippine Bill Thrown Open to Amendment in the House.

Washington, June 26.—The Philippine government bill was thrown open to amendment in the house. Very slow progress was made, only fifteen of the fifty pages of the bill being completed. By an amendment offered by Mr. Bartlett (Dem., Ga.) cases involving the construction of the Constitution can be appealed from the supreme court of the islands to the supreme court of the United States, and another offered by Mr. Littlefield (Me.) one corporation in the islands is prohibited from holding stock in another.

The earlier portion of the day was devoted to the consideration of the conference reports on the sundry civil, army and naval appropriation bills. The house adopted a proposition agreeable to the senate with reference to the disputed items in the army bill and by a vote of 83 to 95 refused to agree to the senate amendments to the naval bill providing for five submarine torpedo boats.

Engineers Return to Work.

Shamokin, Pa., June 26.—Three of the striking mine engineers have returned to work at the Henry Clay colliery operated by the Philadelphia and Reading Coal and Iron company. They are running the water hoist and keeping the water from flowing into the upper level and flooding that as well as the Sterling mines, which connect. The company had threatened to abandon these workings and the engineers were urged by citizens and business men to return to work and prevent the rise of the water.

Minister Commits Suicide.

Columbus, O., June 26.—Rev. Othello Hartell, aged sixty-five, committed suicide by hanging himself to a tree on the bank of the Otway river. Despondency and sickness are the reasons assigned for the act. He formerly preached in Saginaw, Mich.

CURTAIN THE OUTPUT.

Pennsylvania Soft Coal Miners Work but Four Days a Week.

Wilkesbarre, Pa., June 26.—The order of the subdistricts of the Central Pennsylvania bituminous district curtailing the output of soft coal in that region one-third went into effect during the day. The miners in that territory have decided not to work on Wednesdays or Saturdays until further notice. How many laid off is not yet known, but leaders at strike headquarters here say they expect every union man to obey the order.

The engineers, firemen and pump runners on the night shift at the Susquehanna Coal company met at Nanticoke. The meeting was called at the instance of the mine workers, who are bringing every pressure to bear to have these men reconsider their action taken on Monday night when they decided to return to work. District President Nicholls attended the meeting and addressed the men. The meeting was not what the leaders had hoped for.

NO CHANGE IN THE PLANS.

Lord Pauncefote's Body Will Arrive in England About July 14.

Washington, June 26.—It is stated that there will be no change in the arrangements already made for the removal of the remains of the late Lord Pauncefote to England as a result of the king's illness. It was the plan to have the funeral ship Brooklyn arrive in England about July 14, after the coronation ceremonies were over. The navy department has received a telegram announcing the departure of the Brooklyn from New York for Annapolis, where the remains will be taken aboard.

To Investigate Transport Service.

Washington, June 26.—Representative Sulzer of New York has introduced a resolution reciting that "as the allegations of inadequate and scandalous conduct of the affairs of the United States transport service between San Francisco and the Philippine islands have been sustained by official reports, that the workings of the transport system be investigated by a congressional commission of three members of the house and three of the senate."

Ruhlin Defeats Sharkey.

London, June 26.—Gus Ruhlin of Akron, O., defeated Tom Sharkey of New York in the eleventh round before the National Sporting club. The fight was held in connection with the coronation sporting tournament. Sharkey held his own in the first three rounds, but after that Ruhlin gradually got the best of it and at the end of the eleventh round Sharkey's seconds threw up the sponge.

Two Young Ladies Drowned.

Bloomington, Ill., June 26.—While rowing on Miller Park lake two young ladies of this city named Agnes O'Connor and Nellie Salmon, members of a picnicking party, were drowned by the overturning of their boat.

TELEGRAPHIC BREVITIES.

The British house of commons has passed the third reading of the finance bill by 236 to 181 votes.

The Wisconsin Sugar company has definitely decided to erect a sugar beet factory in Janesville, Wis. The proposed cost of the plant is to be \$500,000.

Lady Pauncefote, widow of the late British ambassador to the United States and her daughters, the Misses Maud, Sibyle and Audrey Pauncefote, have sailed for England on the St. Paul.

RHEUMATISM

CAN ONLY BE CURED THROUGH THE BLOOD

Your rheumatism is just like all others, and for the same reason that they are not cured, you are not cured. There is only one Guaranteed Cure for rheumatism in the whole world today, and that is MEDERINE. Everything else sold for rheumatism is simply "recommended," while MEDERINE has an absolute, bonafide guarantee that it will do the work quickly and thoroughly and not leave a tinge of it behind. There is no mistake about this, for this company is not giving money away for nothing. MEDERINE acts directly and specifically through the blood, and the blood only. It eliminates every trace of blood impurity, goes right to the seat of the trouble and at once removes the cause. We have hundreds of testimonials on file from people who were cured by MEDERINE after paying enough for other "cures" to buy a farm. The longer you trifle with rheumatism the worse it will be for you, therefore do not delay. Write MEDERINE REMEDY CO., West Superior, Wis., for their system of treatment. All letters answered.
